- ❖ Dr. Douglas Frank is a Nobel Prize Nominee & the former Chair of the Math & Science department at the Schilling School for Gifted Children in Cincinnati.
- ❖ He has worked for over 40 years as a modeler of pandemics & elections.
- ❖ Dr. Frank’s work can be seen in his interviews with Mike Lindell, “*Scientific Proof*” & “*Absolute Interference*” & at the “*Moment of Truth Summit*.” Also, visit his YouTube and Rumble channels featuring analyses of the 2020 election in battleground states, including Wisconsin.
- ❖ Upon analysis, Dr. Frank determined that artificially inflated, the 2010 US Census Data & updated 2019 American Community Survey data from the Census Bureau, could be used to predict actual voter turnout and voter registration by age, using Algorithms.
